"Schools Out"

Tomorrow is the last day of school!
Maybe i'll ccall my friends
And jump in the pool!
We'll throw a party
Don't have to worry about
Being tardy
No more teachers
telling us what to do
Maybe i'll go out on a shopping spree!

Schools out!
Scream and shout!
You'll never have to
frown or pout!
School past right by
Just like the wind!
Bye bye school days

Camp outs everywhere!
Fires so big
you just stop and stare!
The fourth of July
is coming
the fireworks sounds like
strumming
maybe i'll ride my go-cart
in the field!
The sun in my face
and the wind through my hair

Schools out
Scream and shout
You'll never have to
frown or pout
School past right by
Just like the wind
Bye bye school days

Sometimes i'll tell 'bout
the things in the summer
and i'm sure they'll never be
a bummer

Schools out!
Scream and shout!
Kids everywhere
Jumping and playing!
These are the things about
School being out!
Let me tell you again,

Schools out!
Scream and shout!
You'll never have to
frown or pout!
School passed right by
just like the wind!
bye bye school days
bye bye school days
no more school days
