As around the sun the earth knows she's revolving
And the rosebuds know to bloom in early may
Just as hate knows love's the cure
You can rest your mind assure
That I'll be loving you always

As now can't reveal the mystery of tomorrow
But in passing will grow older every day
Just as all that's born is new
You know what I say is true
That I'll be loving you always

(Until the rainbow burns the stars out in the sky)
Always
(Until the ocean covers every mountain high)
Always
(Until the dolphin flies and parrots live at sea)
Always
(Until we dream of life and life becomes a dream)

Did you know that true love asks for nothing
Her acceptance is the way we pay
Did you know that life has given love a guarantee
To last through forever and another day

Just as time knew to move on since the beginning
And the seasons know exactly when to change
Just as kindness knows no shame
Know through all your joy and pain
That I'll be loving you always

As today I know I'm living, but tomorrow
Could make me the past, but that I mustn't fear
For I'll know deep in my mind
The love of me I've left behind
'Cause I'll be loving you always

(Until the day is night and night becomes the day)
Always
(Until the trees and seas just up and fly away)
Always

(Until the day that eight times eight times eight is four)
Always
(Until the day that is the day that are no more)
Did you know you're loved by somebody
(Until the day the earth starts turnin' right to left)
Always
(Until the earth just for the sun denies itself)
I'll be lovin you forever
(Until dear mother nature says her work is through)
Always
(Until the day that you are me and I am you)
Always
(Until the rainbow burns the stars out in the sky
Until the ocean covers every mountain high)
Always mm mm

We all know sometimes life hates and troubles
Can make you wish you were born in another time and
space
But you can bet your lifetimes that and twice it's double
That God knew exactly where he wanted you to be
placed
So make sure when you say you're in it, but not of it
You're not helpin' to make this earth
A place sometimes called hell
Change your words into truths
And then change that truth into love
And maybe our children's grandchildren
And their great grandchildren will tell
I'll be loving you until the rainbow burns the stars out in
the sky

Loving you, Until the ocean covers every mountain high
Loving you, Until the dolphin flies and parrots live at
sea
Loving you, Until we dream of life and life becomes a
dream
Been loving you until the day is night and night
becomes the day
Loving you, Until the trees and seas just up and fly
away
Loving you, Until the day that eight times eight times
eight is four
Loving you, Until the day that is the day that are no
more
Loving you, Until the day the earth starts turnin' right to
left
Been loving you, Until the earth just for the sun denies
itself
Loving you, Until dear mother nature says her work is
through

Loving you, Until the day that you are me and I am you
Now ain't that loving you, hey hey, ain't that loving you?
And I've got to say, Always, woaahhhh, always,
mmmmm always,
always, hmmm uh, always, always, always,
