I got so many questions stuck upon my mind  
I see so few solutions so I push them all behind  
When people ask me how I'm doing I say I'm just fine  
But deep inside there is a battle raging  
That is driving me completely wild

But no one said it would be easy  
No one promised me a ride on angel wings  
But I've got the Holy Ghost inside me  
With Him I've got all it takes to win

Cause I've got so much energy in my blood  
My heart is pumping with the beat of a drum  
Forcing a flow  
A river of peace  
Through my veins  
I know I've found  
Thy Kingdom Come

Life isn't easy I can tell you that for sure  
Temptation lies behind every corner  
Just waiting for an open door  
But greater is He who lives in me  
Than any power of this world  
As long as I just keep my faith  
There is no one who gets hurt

But no one said it would be easy  
No one promised me a ride on angel wings  
But I've got the Holy Ghost inside me  
With Him I've got all it takes to win

Cause I've got so much energy in my blood  
My heart is pumping with the beat of a drum  
Forcing a flow  
A river of peace  
Through my veins  
I know I've found  
Thy Kingdom Come

I'm not the type of man to give up easily

And I won't give up without a fight  
But no one said it would be easy  
No one promised me a ride on angel wings

Cause I've got so much energy in my blood  
My heart is pumping with the beat of a drum  
Forcing a flow  
A river of peace  
Through my veins  
I know I've found  
Thy Kingdom Come
