Oh the man, the man in the mirror
Oh the man I've met before
Oh the man, the man in the mirror
Oh the man I tried to ignore

CHORUS:

I'm not the boy I used to be, anymore
I'm not the same I used to be, anymore
I'll stop the lying
I'll stop denying
I'm not the man I wanna be
I'm not the man I wanna be

Oh the man, the man in the mirror
Oh the man I tried to forget
Oh the man, the man in the mirror
Oh the man I've come to regret

CHORUS:

I'm not the boy I used to be, anymore
I'm not the same I used to be, anymore
I'll stop the lying
I'll stop denying
I'm not the man I wanna be
I'm not the man I wanna be

If I could take back all the dreadful things I've done
I'd take back every single one
If I could take back all those awful things I've done
I'd take back every single one

CHORUS:

I'm not the boy I used to be, anymore
I'm not the same I used to be, anymore
I'll stop the lying
I'll stop denying
I'm not the man I wanna be
I'm not the man I wanna be

I'm not the man I wanna be (I'm not the man, I'm not the man)

I'm not the boy I used to be (I'm not the boy I used to

be)

I'm not the man I wanna be
