With the best of intentions  
At sevens and sixes  
A shake of the hand  
Turns to whispers and kisses  
And promises bloody and raw  
Get easier just to ignore

So you look for the light  
In the darkest of places  
Where the decks are all marked  
And the smiles are like razors  
And your faith weighs you down like a debt  
That nobody wants to collect

Oh you try to remember the fall  
Oh it was something and nothing at all

And those feelings slip by  
In quicksilver flashes  
But a flick of the wrist  
And it's ashes to ashes  
Cause God's in the details tonight  
But it doesn't make anything right
