(rico stephenson)

intro:

just keep on moving.. just keep on moving..

just keep on moving.. faster.. fa-faster

verse 1:

there was a time, when i wanted your love so badly

i would have done, anything to get you along with me

bridge:

empty days, and sleepness nights

filled with a passion for you inside

my body is yourn'in' for you

can you hear it calling?

chorus:

i just keep on moving faster

when i hear the laughter of u

and i just making love all through the night

you, you know you drive me crazy

when you love me baby

show me what'cha got tonite

verse 2:

i always find my mind lost in a fantasy

when i sleep i close my eyes and dream of you

bridge:

tell me why do you play so hard to get?

when you know that its you, that i cant forget

i dont wanna wait anymore, take me now

or loose me forever..

chorus to fade
