I know that you're hiding things  
Using gentle words to shelter me  
Your words were like a dream  
But dreams could never fool me  
Not that easily

I acted so distant then  
Didn't say goodbye before you left  
But I was listening  
You fight your battles far from me  
Far too easily

"Save your tears cause I'll be back"  
I could hear that you whispered as you walked through  
that door  
But still I swore  
To hide the pain when I turn back the pages  
Shouting might have been the answer  
What if I'd cried my eyes out and begged you not to  
depart  
But now I'm not afraid to say what's in my heart

Though a thousand words  
Have never been spoken  
They'll fly to you  
Passing over the time and distance holding you  
Suspended on silver wings

And a thousand words  
One thousand confessions  
Will cradle you  
Making all of the pain you feel seem far away  
They'll hold you forever

The dream isn't over yet  
Though I often say I can't forget  
I still relive that day  
"You've been there with me all the way"  
I still hear you say

"Wait for me I'll write you letters"

I could see how you stand with your eyes to the floor  
But still I swore to hide the doubt  
When I turn back the pages  
Anger might have been the answer  
What if I'd hung my head and said that I couldn't wait  
But now I'm strong enough to know it's not too late

Cause a thousand words  
Call out through the ages  
They'll fly to you  
Even though we can't see I know they're reaching you  
Suspended on silver wings

Oh a thousand words  
One thousand embraces  
Will cradle you  
Making all of your weary days seem far away  
They'll hold you forever

Oh a thousand words  
Have never been spoken  
They'll fly to you  
They'll carry you home and back into my arms  
Suspended on silver wings (Ohhh-oh!)

And a thousand words  
Call out through the ages  
They'll cradle you  
Turning all of the lonely years to only days  
They'll hold you forever
