[Chorus]

I was falling, falling  
I was running, running  
You're just crawling, crawling  
You're just hiding from it  
I was falling, falling  
I was running, running  
You're just crawling, crawling  
You're just hiding from it

[V.1]

It's a shame  
That you live on the safe side  
It's a shame you hate to cry  
It's a shame that you're not fighting to get more  
It's a shame  
That you're scared to take a chance  
It's a shame you never dance  
It's a shame you wanna live behind closed doors

[Chorus]

I was falling, falling  
I was running, running  
You're just crawling, crawling  
You're just hiding from it  
I was falling, falling  
I was running, running  
You're just crawling, crawling  
You're just hiding from it

[V.2]

It's a shame  
That you're afraid of getting hurt  
You only learn by getting burnt  
It's a shame you wanna stand outside the fire  
It's a shame  
That you think that I'm a fool  
'Cause I don't live with rules  
It's a shame you'll never get to understand

[Chorus]

I was falling, falling

I was running, running  
You're just crawling, crawling  
You're just hiding from it  
I was falling, falling  
I was running, running  
You're just crawling, crawling  
You're just hiding from it

[V.F]

You think that it's weak not to resist  
And you don't live you life you just exist  
But I won't be the one outside the fire  
And I won't be the one that's scared to fly  
I wanna live my life not merely just survive

OohÃƒfÂçâ, ÑÃ,Â!

Yeah, yeah, yeah, yeah, yeahÃƒfÂçâ, ÑÃ,Â!

[Chorus]

I was falling, falling  
I was running, running  
You're just crawling, crawling  
You're just hiding from it  
I was falling, falling  
I was running, running  
You're just crawling, crawling  
You're just hiding from it

I was falling, falling  
I was running, running  
You're just crawling, crawling  
You're just hiding from it

I Just falling, falling....Falling...Falling
