(Man)

Yeah.....yeah,yeah!!!

Sometimes I feel like I don't have
Nothing in this world, but the Stress
Anger and wrath the nearly unbearable
Pain and agony turning me insane gradually
I'm in the zone it's like a million of miles from
Home but still I'm right here with tears in my eyes
It feels like a cried for lightyears

Wishing upon falling star...

(chorus)

Lacrimosa another story for another tear
Lacrimosa a thousand tears start to...
Lacrimosa another story for another tear
Lacrimosa a thousand tears start to fall

Empty moments, hope is stolen
One more love that might of been
And the soulmates scatter
Another candle on the water
A million hearts

Wishing upon falling star...

(chorus)

Lacrimosa another story for another tear
Lacrimosa a thousand tears start to...
Lacrimosa another story for another tear
Lacrimosa a thousand tears start to fall

Why does it hurt so?

Every tear drop...

Tear drop

Has a journey...

A jorney

Through your heart and mine!!!

Yeah!!!

More!!!!

Yeah!!!!

More!!!!!

Yeah!!!!!

More!!!!!!

Yeah!!!!
MORE.....
Yeahhh , yeah, yeah , yeah.....Tears
A million hearts

Wishing upon falling star...

(chorus)
Lacrimosa another story for another tear
Lacrimosa a thousand tears start to...
Lacrimosa another story for another tear
Lacrimosa a thousand tears start to fall

Lacrimosa
Empty moments, hope is stolen...
Lacrimosa
Wishing upon falling star...

Lacrimosa
Another story for another tear
Lacrimosa a thousand tears start to fall.....
(echoes)
Fall.....Fall.....Fall.....
