Have yourself a merry little christmas
Let you heart be light
From now on
Our troubles will be out of sight (Ohhhhhhh)
Have yourself a merry little christmas
Make the yule tide gay
From now on our troubles will be miles away

Here we are as in olden days
Happy golden days of yon
Faithful friends who are dear to us
Drawing near to us
Once more

Throught the years we'll always be together
If our fates allow
So hang a shinning star above the highest bow
So have yourself a merry little christmas

Throught the years we'll always be together
If our fates allow
So hang a shining star above the highest bow (Oh
yeah)
So have yourself (a merry little christmas now)
