(is raining and i home alone again i can't believe it that
soon i never ever happy again)

never never never again you gave to give it up
never never never again you gave let me go
never never never again you gave to give it up
never never never again You know that your last
chance

I never never never forgive You for this

take a look and watch dawn to me but thanks to be
safely shortly please you wait i don't know me
i give U everything in this soon
u can explain sometimes for burn this on
miss it be at you are my pussy cat
like that at you work is accepted
this appears it gated, can ahead
can delayed that you want a one
you find the swam out the door for sure
is strong i got to know like that except
when act you can hear the time
you know i ras never stop

never never never again you gave to give it up
never never never again you gave let me go
never never never again you gave to give it up
never never never again You know that your last
chance

I never never never forgive You for this

never never again you know this how happened
backed all you see sad are kepted
and this fuck don't stand and back in hole
is has no more it crazy and fuck and play me
and rave me and never to shut me back to me
you try to be play me & never tasted me
and give ever so let it go whit 'em
you can hear that rats tail
so beat them
for your owns you can see to be

so is no mo to see it
so see to be is no more distance and go to the door
see just the road never read it

never never never again you gave to give it up
never never never again you gave let me go
never never never again you gave to give it up
never never never again the're be a another way ask to
you

(hey baby i know was wrong the things are righth now ,
but im sorry in the memories i gave to be again l...)

while a while a while
and never never never forgive you for this

never never never again you gave to give it up
never never never again you gave let me go
never never never again you gave to give it up
never never never again You know that your last
chance

(it keep in the mind, what those so round ,come so
round)
