Come on, here we go now

Look at me and tell me what you see
Mm you might think that I'm just crazy
See I'm not that typical
Well I'm not trying be

I don't really know what they say
What they think won't change my word you said
Yeah I like to be naughty
Well I'm just trying to be me

Na, na, na
Gotta be
Na, na, na
I'm just trying to be me
Trying to be me

Hey hey hey, come on

You see I try to get along with you
But I'll never be what you want me to
You turn around the things I say
Your jealousy's in the way

Can't you see I know what I said
I don't think I need to reword
So, come on and let me be
Well I'm just trying to be me

Na, na, na
Gotta be
Na, na, na
I'm just trying to be me
I'm just trying to be me

I don't care, what they say
That's the way it's gotta be

I don't know what is going on
Tell me why do they always wanna
Trample me, they trample me

I don't know what is going on
Tell me why do they trample me, I don't know

Did you really think, your gonna get me?
Did you really think, your gonna stop me?
Did you really think, I'm gonna take this?
No, no, no

Na, na, na
Gotta be
Na, na, na
I'm just trying to be me, alright

Na, na, na
Gotta be
Na, na, na
I'm just trying to be me
