Verse 1:

I'm very old, very Magdalene
And your cross is the one other carrying
Watching over you
I'm always watching you
I know you think that my head's a balance, right?
But you don't see I'm just rising to the challenge
Cause you don't understand
After all you're just a man
Hit ya like a waterfall

Chorus:

Waterfalls
Waterfalls
You belong to me
You will belong to me
Waterfalls
Waterfalls
You belong to me
You will belong to me

Verse 2:

Sitting in my car watching you through window panes
They say it's sick
But true lovers know no shame
Need to see your face
I need to see your face
I'm your guardian
Your twisted angel
The open arms
That were right behind you when you fell
Know you'll understand
One day you'll take my hand
Hit ya like a waterfall

repeat chorus

Bridge:

I told you I'd be watching you
In everything that you do
But don't worry now cause I'll take care of you
Mmm mmm mm
Mmm mmm mm
Hit ya like a waterfall

repeat chorus
