[Ginuwine](Timbaland)  
(Check it)  
To all my ladies (What?)  
Who wants to ride my pony? (Ginuwine, what?)  
To all my honeys (Uh)  
Who wants to ride my pony? (Timbaland, uh what?)  
To all my babies (Remix)  
Who wants to ride my pony?  
(Remix, what?)  
To all my ladies  
Who wants to?

[Timbaland]  
Check it out baby  
Let me tell you  
Come on and ride this horse  
You will see we gonna stay on course  
Don't try to fight the force  
I wanna hear your voice, girl  
Come on and get with me  
A real true O-G  
Straight from the V-A-V  
Yeah, here to set you free  
Yeah baby call me perv  
I wonder do you serve, uh  
Check out your curves  
Making our bodies merge  
I'm just a real brother  
My name is Timbaland  
I wanna hold your hand  
Want to be your man

[Ginuwine](Timbaland)  
I'm just a bachelor  
I'm looking for a partner (Uh, uh)  
Someone who knows how to ride  
Without even falling off (What?)  
Gotta be compatible  
Takes me to my limits (Word up)  
Girl when I break you off (What?)  
I promise that you won't want to get off

(No doubt)

1 - [Ginuwine]

If you're horny lets do it  
Ride it my pony  
My saddle's waiting  
Come and jump on it  
If you're horny lets do it  
Ride it my pony  
My saddles waiting  
Come and jump on it

[Ginuwine](Timbaland)

(Freaky, freaky)  
Sitting here flossing (What?)  
Peepin' your steelo (Say what?)  
Just once if I have the chance (Yeah)  
The things I would do to you  
You and your body  
Every single portion  
Send chills up and down your spine  
Juices flowing down your thigh baby

Repeat 1

[Timbaland]

Breakdown  
Yeah we're gonna ride  
Uh, uh do you wanna ride?  
Say what?  
Do you wanna ride?  
Say what?  
Do you wanna ride?  
Say what?  
Do you wanna ride?  
Say what?  
Do you wanna ride?  
Say what? Say what?  
Do you wanna ride?  
Say what?  
Do you wanna ride?  
Ginuwine

[Ginuwine](Timbaland)

If we're gonna get nasty baby  
First we'll show and tell  
'Till I reach your pony tail, oh  
(Say what? Say what? Say what?)  
Lurk all over and through you baby  
(Can you feel us?)  
Until we reach the stream

(Can you feel us?)  
You'll be on my jockey team, ooh (Uh)

Repeat 1 till end
