D, D, heaven sent you

D, D, heaven sent you

D, D, heaven sent you

D, D

D, D, heaven (heaven) sent you, honey

D, baby, oh my

D, heaven (heaven) heaven sent you, honey

D, baby, oh my

I really like the way you show me you care

I'm satisfied because I know this love is real (oh)

D, and plus I like the way you play with my hair

Oh, boy, I truly like the way you make me feel

C'mon and touch me, honey, and tease me, baby

Yes I know you've really got what I need

And I don't want your money

I just want you to please me

And let me know this love is guaranteed

\* ('Cos you're my) angel of love

You give me all of your love

Yes you do, eight days a week

(Eight days a week)

I want your kisses and hugs  
I'll give you all of my lovin' too  
Eight days a week  
(Eight days a week)  
I'm glad that heaven sent you just to be mine  
They must have heard me on the night that I prayed  
(On the night that I prayed)  
I really like it when you give me your time  
Because you treat me in a very special way  
C'mon and touch me, honey, and tease me, baby  
Yes I know you've really got what I need  
And I don't want your money  
I just want you to please me  
And let me know this love is guaranteed  
[Repeat \*]  
Touch me, honey, and tease me, baby  
Yes I know you've really got what I need  
(What I need, what I need)  
And I don't want your money  
I just want you to please me  
Even when you ask don't show me  
You put a little rush on me  
Boy, you make me tremble inside  
[Repeat \* , \* , \*]
