You naughty, naughty woman (I'm happy, you naughty)  
Woman, woman (I'm happy being naughty)  
He's happy, he's naughty (uh-uh uh-uh uh-uh)  
The geezer's over 40  
You naughty, naughty woman (Good evening, I love  
you)  
Woman, woman (I want to be beside you)  
Come here, please, I want you, I need you  
(Uh-uh uh-uh uh-uh)  
Woo, ah (look at me, look at me)  
Woman, woman (woman, look at me, here, look at me,  
I'm over here, what are you doing?)  
He's happy, he's naughty  
(Where you going? C'mon, look at me)  
The geezer's over 40 (here)  
You naughty, naughty woman  
Woman, woman  
(C'mon, hold me, good evening, I love you)
