(Don Schlitz - Paul Overstreet)

Don't wake me up if I'm dreaming
And don't let me fall asleep if this dream is comin' true
Your love's enough to keep me breathing
And all I want to do is keep dreamin' of you.

My love was a lonesome road till you came along
Well, you looked at me as if to say I'm right where you
belong
You stopped me in my tracks and the next thing that I
knew
There was a ring upon my hand and I was lying next to
you.

So don't wake me up if I'm dreaming
And don't let me fall asleep if this dream is comin' true
Your love's enough to keep me breathing
And all I want to do is keep dreamin' of you.

Well, I read stories I read books about how love should
be
But the written word did not express what your love
does to me
I'd love to share our secret but I don't know where to
start
'Cause I cannot put on paper what's been written on my
heart.

Don't wake me up if I'm dreaming
And don't let me fall asleep if this dream is comin' true
Your love's enough to keep me breathing
And all I want to do is keep dreamin' of you.

You don't have to worry 'bout
My calling out another lover's name
If you see me smiling in my sleep
Darling, you're the one to blame
'Cause you're the only dream I dream

Don't wake me up if I'm dreaming

And don't let me fall asleep if this dream is comin' true
Your love's enough to keep me breathing
And all I want to do is keep dreamin' of you.

Yeah, all I wanna do is keep dreamin' of you...
