(Titus Turner)

Hey doll baby, can we have a talk together
I want to tell you all about my troubles
Whatcha been doin' since I've been gone
Show me how you feel since your girls's back home
Hey doll baby, listen to me.

Hey doll baby, whose coat's hangin' in my closet
Well, I can't remember where I bought it
Tell me that your sister was a here today
I don't want to take it no other way
Hey doll baby, listen to me.

I'm the one that loves you
That's why I'll never trade you
Walk round here, look so fine
Just about make me lose my mind.

Hey doll baby, make up your mind for love's sake
I ain't got no time for mistakes
I'm gonna roll back the rug and a nail up the door
I ain't gonna leave you never no more
Hey doll baby, listen to me.

Hey doll baby, hey doll baby, hey doll baby, listen to
me.

--- Instrumental ---

I'm the one that loves you
That's why I'll never trade you
Walk round here, look so fine
Just about make me lose my mind...
