Look at me, here I am  
I'm givin' all of my lovin', everyday of my life to you  
All you see can be yours  
If you show me you love me, just one little hint will do

And I know I give too much and there is much I sacrifice  
But I've got all the reasons when I look into your eyes  
I know I love you, even though I shouldn't  
And you should know, I've tried to stop

You've got that somethin', somethin' I can't describe  
Gives me that feelin', gives me that freaky vibe  
You've got that something that makes me feel so fine  
Makes it worth waiting until the day that you will be  
mine, all mine

You decide, take your time, I just want you to know that  
I'll always be here for you  
My friends keep tellin' me, 'You've gotta let go'

They say that I'm too good for you and maybe that is  
true  
But I just keep on lovin' you the way I did before  
And you should know I've tried to stop
