Moving, moving on  
Moving, moving on  
Moving, moving on  
Moving, moving on

Nothing can stop me now  
Nothing can hold me down  
No one can keep me back cause we're

Moving, moving on  
Moving, moving on  
Moving, moving on  
Moving, moving on

We've been 'buked (clap-clap clap)  
We've been scorned (clap-clap clap)  
We've been talked about sure as you're born

Let's work together  
Don't care how long it takes  
We've come this way before cause we're  
Moving, moving on  
Moving, moving on  
Moving, moving on  
Moving, moving on

The road may be rough (clap clap)  
The way may be long (clap clap)  
But we've got to keep on keeping on

We're marching over  
Don't care how long it takes  
We've come this way before and we're

Moving, moving on  
Moving, moving on  
Moving, moving on  
Moving, moving on (spoken)
