I'm a man I drive in my Mercedes  
I'm a man I drive in my Mercedes  
I'm a man I'm sweet, I like the ladys  
I'm a man I'm sweet, I like the ladys  
All the dames they want my babys  
Cause I'm a man, I'm wild and I'm crazy  
Won't you say its true?... I'm a man

You can be my bride for the weekend  
You can be my father for the weekend  
Won't you take advantage of the weekend  
You can be my brother for the weekend

you can be my bride for the weekend  
You can take advantage for to weekend  
Won't you be my father for the weekend  
You can be my bride for the weekend

I'm gonna make you cry like a sadist  
And I feel the water like a rapist  
So set the sail and free the land  
Don't wanna be your one man band stand  
I can make you swim with the fishes  
And it tastes so sweet and delicious  
Won't you say its true?... I'm a man

But You can be my bride for the weekend  
You can be my father for the weekend  
Won't you take advantage of the weekend  
You can be my brother for the weekend

Won't you be my brother for the weekend  
You can be my bride for the weekend  
Oh won't you take advantage of the weekend  
You can be my bride for the weekend

I'm a man I'm wild and I'm crazy  
I'm a man I'm wild and I'm crazy  
I'm a man I'm sweet, I like the ladys  
You can be here too  
Won't you take advantage of the weekend

Won't you take advantage of the weekend  
You can be here too  
I'm a man

You can be my bride, and drive me right round the  
bend  
You could be my father, and drive me right round the  
bend (chikane)  
Oh won't you take advantage and drive me right round  
the bend  
You can be my bride and send me right round the bend
