

Sweet Matthew "Into Your Drug"

Visit "[Into Your Drug](#)" on MotoLyrics.com

tell me what you want me to do
tell me what you want me to say
when nothing I do or say is enough
everything fits but the size of my love
out of proportion and into your drug
into your drug
now how can I give you the world
painted on the side of a pearl
when neither the pearl 'nor the world is big enough
everything fits but the size of my love
out of proportion and into your drug
into your drug
nothing I do or say is enough
everything fits but the size of my love
out of proportion and into your drug
into your drug
