"A Good Heart"

I hear a lot of stories
I suppose they could be true

All about love and what it can do to you.
Highest risk of striking out
the risk of getting hurt
And still I have so much to learn.
I know 'cause I think about it all the time

I know that real love is quite a price.

And a good heart these days is hard to find

A good heart
true love
the lasting kind.
A good heart these days is hard to find

So please be gentle with this heart of mine.

My expectations may be high
I blame it on my mouth

Soon enough I'll learn the painful truth.
I'll face it like a fighter
then boast of how I've grown

Anything is better than being alone.
I know 'cause I learn a little every day

I know 'cause I listen when the experts say that -
A good heart these days is hard to find
...

Yes
I'm reflecting all my childhood dreams

My ideas of love weren't as foolish as they seemed.
If I don't start looking now I'll be left behind.
And a good heart these days it's hard to find.
I know it's a dream I'm willing to defend

I know it will all be worth it in the end.

And a good heart these days is hard to find

...

And a good heart these days is hard to find

...

A good heart -

A good heart -

A good heart -

A good heart -

A good heart -

A good heart - A good heart -
