Why must it always be so hard for you to see  
I think I've made it very clear that I believe  
The one to open up your heart if you believe in me yeah  
I know your doing this to try ,try to hide it but what you  
feel  
Is much too strong,So don't you fight it  
Together we were meant to be Eternally  
So please yeah..

Let me be the one  
To be loved by you  
(hold me tight,Love me right..so right)  
Ooohhh ohhhhh

Let me be the one  
To be loved by you  
(hold me tight,Love me right..so right)

I know your doing this to try,try to hide it  
But what you feel is much too strong  
So don't you fight it  
Together we were meant to be Eternally  
Ooohh please ...

Cuz when I look in your eyes I can see what you feel  
What we share is so special, It's real ohhhh yeah  
Cuz when I look in your eyes I can see what can be  
If you'd only give your love to me

Ohhh baby,why must it be so hard for you to see that  
my love is special  
It's real,Your always doing things to try to hide it...but if  
it's meant to be please  
baby don't fight it..

Let me be the one  
The one for you,ahhhhh  
(hold me tight,Love me right.. so right)  
Tell me, Let me be the one  
The one for you,for you  
(hold me tight,Love me right..so right)

Let me be the one  
Just let me be,Just let me be  
(hold me tight,Love me right so right)  
The one, Let me be the one  
(hold me tight,Love me right..so right)  
hold me,hold me,Just love me  
Love me right  
Let me be the one  
The one for you,ahhhh  
(hold me tight,Love me right..so right)  
Tell me
