You want love but you fear it  
Your attention's been shifted  
You summed up the feeling  
With a simple dismissing

What you gonna do? Deceiving,  
It ain't you, believe it,  
'Cause our love ain't easy  
It changes with seasons

Whoa, yeah  
Where we going I don't know  
So baby won't you let it go?  
(Baby won't you let it go?)

You sewed shut the curtains  
You closed out the light coming in,  
And all your friends you don't want near  
You don't want advice, advice to hear

'Cause inside you're working  
You're mending what's broken,  
'Cause our love ain't easy  
It changes with seasons

Ohhhh yeah, where we going I don't know  
So baby won't you let it go?  
Ohhhh yeah, where we going I don't know  
Ohhhh so baby won't you let it go?  
Don't you worry  
Won't you let it go,  
Baby don't worry  
Just let it go, let it go

Don't you worry  
Won't you let it go,  
Baby don't worry  
Just let it go let it go

Don't you worry  
Won't you let it go,  
Baby don't worry

Just let it go, let it go

Don't you worry  
Won't you let it go  
Baby don't worry  
Just let it go, let it go

Don't you worry  
Won't you let it go  
Baby don't worry  
Where we going I don't know

Don't you worry  
Won't you let it go  
Baby don't worry  
So baby won't you let it go?

Don't you worry  
Won't you let it go  
Baby don't worry  
Where we going I don't know

Don't you worry  
Won't you let it go  
Baby don't worry  
So baby won't you let it go?
