[verse 1]

I want your love,
but you're not taking offers.
I should have known better than to give you my only
heart.
I can't let you hold me down just like you used to.
Should've known better than to give you my only heart

[Bridge]

What you gonna do 'bout it x3

[Chorus 1]

I don't want to dance motherfucker,
but your giving me no choice,
giving me no choice.

[Verse 2]
