Hey Lorraine
It's been 6 months since I seen your pretty face
Such a shame, Lorraine

Hey Lorraine
Call me up when you need a friend
It's okay, okay
Lorraine

There was a time I felt alone
There was a time you went away
There was a monochromatic bird
Screaming out your name

Lorraine, Lorraine
I'm taking the fault for Lorraine
Lorraine, Lorraine
I'm taking the fault for Lorraine

Hey Lorraine
Gentle touch so sweet and middle-aged
No complains
Lorraine
There was a hole inside my head
There was a sharp too easy thing
Take out your mask cause I'm in love with you
I'm coming to take you Lorraine

Lorraine, Lorraine
I'm taking the fault for Lorraine
Lorraine, Lorraine
I'm taking the fault for Lorraine

Whuu uh whuu uh whu uhh (x3)

Lorraine, Lorraine
I'm taking the fault for Lorraine
Lorraine, Lorraine
I'm taking the fault for Lorraine

Lorraine, Lorraine
I'm taking the fault for Lorraine

Lorraine, Lorraine
I'm taking the fault for Lorraine
