I hold your picture in the pouring rain
If I keep wishing we would stay the same
But you're over me
Ohh oh oh you're over me

We were so young we thought we had it made
I held your hand while you tapped the claim
Now you're over me
Oh oh oh you're over me
Yeah you're over me
Oh oh oh you're over me

We saw each just the other day,
We couldn't think of anything to say
'Cause you're over me
Oh oh oh you're over me
Yeah you're over me

Oh oh oh you're over me

But I'm not over you

I'm not over you (x7)

My heart was pounding but I held it in
You didn't notice but your boyfriend did
You're over me
Oh oh oh you're over me
Yeah you're over me
Oh oh oh you're over me

But I'm not over you

I'm not over you (x7)

Over you

I'm not over you (x5)

I don't know what to do 'cause you're not over you
