How does it feel to look like candy?  
Always tripping up on the wires  
I'm gonna give you the downside now

Candy's insomnia astounds me  
Brain ticking until the light  
At least she gave me some words to write

She's in full flight  
She's in full flight

Do you know the way to Santa Fe?  
I've got lots of friends in Santa Fe

How does it feel to dress like candy?  
Always dressing up to the nines  
Got more lives than a cat's nine lives  
Cat's nine lives, cat's nine lives  
Cat's nine lives, cat's nine lives

Do you know the way to Santa Fe?  
I've got lots of friends in Santa Fe

Candy  
Always dressing up to the nines  
She's got more lives than a cat's nine lives

She's in full flight  
Cat's nine lives  
In full flight  
Cat's nine lives  
In full flight  
Cat's nine lives
