(Vs.1)

We are lovers true and through and though  
we made it through the storm  
I really want you to realize  
I really want to put you on  
I've been searching for someone to  
satisfy my every need  
won't you be my inspiration,  
be the real love that I need

(Chorus)

Real love. I'm searching for a real love  
Someone to set my heart free  
Real love. I'm searching for a real love

(Vs.2)

Oooh, when I met you I just knew that  
you would take my heart and run  
Until you told me how you felt for me  
you said I'm not the one  
So I slowly came to see  
all of the things that you were made of  
and now I hope my dreams and inspirations  
lead me to want some real love

(Chorus) 1x

(Bridge)

I got to have a real love

Loves so true and oh baby  
I thought that love was you  
I thought you were the answer to  
the question in my mind  
but it seems that I was wrong  
if I stay strong maybe I'll find my real love

(Vs.3)

So I try my best and pray to God  
he'll send me someone real  
to caress me and to guide me towards

a love my heart can feel  
Now I know I can be faithful  
I can be your all in all  
I'll give you good luv'in' though the summertime,  
winter, spring, and fall

(Chorus) 2x's

(During 3rd chorus)  
You see I'm searching for a real love  
and I don't know where to go  
Been around the world and high and low  
and still I'll never know  
how it feels to have a real love  
'cause it seems it's not around  
gotta end it in this way because it  
seems he can't be found

(Chorus) 2x's
