Your inside is out

Your outside is in

Your outside is in

Your inside is out

So come on

Come on, is such a joy

Come on, is such a joy

Come on and take it easy

Come on and make it easy

Make it easy

Everybody's got something to hide

Except for me and my monkey

The higher you fly

The deeper you go

The deeper you go

The higher you fly

So come on, come on

Come on, it's such a joy

Come on, it's such a joy

Come on, let's take it easy

Come on and make it easy

Everybody's got something to hide

Except for me and my monkey

Your inside is out

Your outside is in

Your outside is in

Your inside is out

So come on, come on

Come on, it's such a joy

Come on, it's such a joy

Come on, let's make it easy

Come on and make it easy

Take it easy

Everybody's got something to hide

Except for me and my monkey

Come on

Come on

Come on
