Now I see the truth....

I've given up everything that's right...I pray that it's all the same. And now I can't even sleep at night it may end up cancelling everything.... all that i've gained.

Like a child I lost site of all those things...and I dove right in.
now I'm faced with the regret...
god... I'm still the same... who can I blame?

Banking on the one thing that I chose to give up...And step aside for an...in a sense...joy ride... because it was hard to see through all the smoke. And what I felt was going nowhere... was really all I had.

Now I see the truth...

And these memories keep dragging me down...and I can't wait for you.

now the one thing that I can do... is wait for you.
(solo m. gentle)

And see I dwell on the past I chose to slayand regret remains...
now I forge on.
and it's all in vain...what can I say.

And these memories keep dragging me down...And I can't wait for you.

(solo T. Mabe)

(solo M. Gentle)

And these memories keep dragging me down...And I can't wait for you.
