God above all the world in motion,
God above all my hopes and fears,
And I don't care what the world throws at me now,
It's gonna be alright.

Hear the sound of a generation making loud a freedom
song,
All in all that the world would know your name,
It's gonna be alright.

And I know my God saved the day,
And I know his word never fails,
And I know my God made a way for me,
Salvation is here.

God above all the world in motion,
God above all my hopes and fears,
Yeah, I don't care what the world throws at me now,
It's gonna be alright.

And I know my God saved the day,
And I know his word never fails,
And I know my God made a way for me,
Salvation is here.

Salvation is here, 'cause you are alive and you live in
me,
Salvation is here,
Salvation is here, and it lives in me,
Salvation is here, 'cause you are alive,
You are alive.

And I know my God saved the day,
And I know his word never fails,
And I know my God made a way for me,
It's gonna be alright,
And I know my God saved the day,
And I know his word never fails,
And I know my God made a way for me,
Salvation is here,
Salvation is here.
