Everyone's looking around me.
no one understands who to be.
i can't tell who u are.
but from what i saw you were to far.
i was blown away!

the wind has picked up from love
can't you see I'm like a dove.
no one else is for me.....except you.

still trying still dieing
still can't understand
what's wrong with me?
who's there waiting to see?
I'm blown away!

the wind has picked up from love
can't you see I'm like a dove.
no one else is for me.....except you.

you looked at me i saw you
you smiled as you talked to
your friends
i still can't believe how the
wind took it up
me and you?
I'm blown away!
the wind has picked up from love
can't you see I'm like a dove.
no one else is for me.....except you

Everyone's looking around me.
no one understands who to be.

the wind has picked me and you
oh what to do?
can't you see my dove wings have lifted off?
I'm BLOWN AWAY!
the wind has picked up from love
can't you see I'm like a dove.
no one else is for me.....except you.

the wind has gone again.....
