"I Will Dare"

How smart are you?
How dumb am I?
Don't count any of my advice
Oh, meet me anyplace or anywhere or anytime
Now I don't care, meet me tonight
If you will dare, I might dare
Call me on Thursday, if you will
Or call me on Wednesday, better still
Ain't lost yet, so I gotta be a winner
Fingernails and a cigarette's a lousy dinner
Young, are you?
Meet me anyplace or anywhere or anytime
Now, I don't care, meet me tonight
If you will dare, I will dare
