hey hey!
la-la-la!
Hey!
What's that you say?
A little black blind
It's all in your mind
And I say "oo-ooh! what's that you do?"
When explodes inside of you
And it's so easy - so ea - so ea - so easy you can do
???
fortunes come and go
?
?
funny feeling inside
You still got two kids running
Up and down your spine
Oh it must be that
Funny Feeling inside
A feeling you just can't hide
??????? get burned away
Oh... you don't know-o-oh
What you feel - you just can't show
And it's so easy - so ea - so ea - so easy you can do
???
???
Funny think h(?) yeah(?)
funny - ho-ho-ho
Oh it must be that
Funny Feeling inside
A feeling you just can't hide
??????? get burned away
And still it makes no difference
I can see it in your eyes
It's that Funny Feeling inside
It's that feeling you just can't hide
It's that Funny Feeling inside
It's that feeling you just can't hide
OI!
Funny feeling
Funny feeling
Hey-hey! hey! hey! hey!...
Keep it away! keep it away

Keep it away, keep it away
Keep it away, keep it away
Funny feeling,
Funny feeling, fah-fah-feeling
Funny feeling, baby peculiar
Funny feeling...
