[Dice singing]

Bitches hate me, oh bitches hate meeeee

[Esham]

This goes out to all the bitches all across the world,  
this is a love story, I mean a hate story  
cause you see this bitch now hates me

I know this bitch her man likes to beat her  
If you ask me she likes the way he treat her  
Because poppa's got a brand new bag, the same old  
drag  
The four four mag. make my pants sag  
All I want to do is sleep with her  
I dig her on the D-L, I fuck her swell when I creep with  
her  
I didn't know she was a dike  
Until she fucked up and told me wet pussy is what she  
liked  
I was just chilling watching a porno flick  
I never think about her until I got a hard dick  
But peep this she's number one on my creep list  
Every time I jack off I think about her  
I can't live without her, her pussy pops like gunpowder  
Kind of smells like clam chowder  
She's my baby though  
I used to fuck her while her man was at work  
We'd talk on the phone And she tell me how much her  
pussy hurt  
For this dick, phone sex and shit, she's sick  
Loose lips sink ships, on my dick she sank my  
battleship  
I day dream of wet dreams, I dream about sucking you  
Titty fucking you, bitch my dick is stuck in you  
She gave me crabs and I stabbed her in her titty nipple  
And now her nipple's crippled  
And now she hates me for that

[Esham talking]

I can see why she hates me, fuck her,  
bitch hates me I got a little something for you

bitch I hate you too, so uhhh...

[Dice singing]

Bitches hate me, oh bitches hate me,  
bitches hate me, bitches hate me, oh bitches hate me

[Mastamind]

Bitch I know you hate me cause you couldn't make me  
break see  
How many niggas have you fucked around the way  
lately  
I don't want to see your freaky ways no more  
Bitch I ain't got no more dough  
I spent my last on a hoe a few years ago  
Two years ago I was sick for a quick blow  
My mind says stop, my mind says go  
My mind says I can never learn to love you hoe  
Poppa said mack the bitch, smack the bitch daily  
Pay me pay me baby 'fore you lay me  
She's just another toss up  
She got my dick in her mouth and when I came she  
coughed up  
I'm sick to the stomach with her, I should let her go  
Cause she's a hoe and all my homies know  
They want to fuck her I said yes  
But my nigga, you better watch your back cause she's  
the best  
I guess this is the end for me  
And this bitch is no longer a friend of me  
Cause she hates me

[Mastamind talking]

My nigga what do you got to say about this hoe?  
I know she hates me, it ain't my fault though  
you know what I'm sayin? Hey yo my nigga Dice

[Dice]

I knew this bitch named Cortessa  
She was three years old I was twelve, I used to child  
molest her  
A freaky little young bitch  
My dick got hard every time I seen her switch  
Even though her pussy got stole  
Her colon was swolle because I nuttied in her asshole  
I'm in love even though she was an infant  
And every now and then her mouth I left my dick prints  
Her people got suspicious  
Pussy delicious, she blew my dick like bubblicious  
I used to hit it from the side, she used to ride,  
Yeah nig suicide  
Now cops investigate

She's 10 years old yelling rape, now I got a court date  
I've been fucking her for years, so many years of  
screaming  
Sick demon, now they're testing my semen  
Now I'm going to the pen doing five to ten  
Hey they say it's manslaughter  
But who gives a fuck, I fucked my daughter

Bitches hate me, oh bitches hate me,  
bitches hate me, bitches hate me, oh bitches hate me

[Dice talking]  
Who gives a fuck though? I rape the bitches,  
I need to go to my cell and shit, jack my dick,  
look at all the porno stars up on the walls and shit,  
all that pussy is better than my woman's  
Man now I'm doin life, fuck my kid and my wife  
And I'm out like this
