How far away are you

How many lonely sighs dear

How many weeping skies dear

How far away are you

How long have I to go

How many moons to see you dear

Till you come back to me dear

When will I know

When will I know

No other love have I

Only my love for you

Only the dream we knew

No other love

Watching the night go by

Wishing that you could be

Watching the night with me

Into the night I cry

Come home to me

Set me free

Free from doubt and free..

From longing

Into your arms I'll fly

Locked in your arms I'll stay

Waiting to hear you say

No other love have I

No other love

Into your arms I'll fly

Locked in your arms I'll stay

Waiting to hear you say

No other love have I

No other love
