Time heals everything

Tuesday, Thursday

Time heals everything

April August

If I'm patient the break will mend

And one fine morning the hurt will end

So make the moments fly

Autumn, Winter

I'll forget you by

Next year, Some year

Thought it's hell what I'm going through

Some

Tuesday, Thursday,

April August,

Autumn Winter,

Next Year, Some Year

Time heals everything

Time heals everything,

But loving you

So make the moments fly

Autumn, Winter

I'll forget you by next year, some year

Thought it's hell that I'm going through

Some

Tuesday, Thursday,

April August,

Autumn Winter,

Next Year, Some Year

Time heals everything

Time heals everything

But loving you
