Nothing ventured, nothing gained
You've got to live a life
Or you'll be living in shame
Nothing ventured, nothing lost
Make your dirty money
But someone's got to pay the cost
Dirty money
Ooh, is it such a crime?
The only living you'll make in your life time
Dirty money, ooh, dirty money
Is it such a crime?
Dirty money, to survive
Lead your careless lives
Only time will tell
You've got to be strong to survive
Get out of this heaven or hell
Double-cross and double take
In this life of make or break
Dirty money
Ooh, is it such a crime?
Dirty money
The only living you'll make in your life time
Dirty money, ooh, dirty money
Is it such a crime?
Dirty money, to survive
Nothing ventured, nothing gained
You've got to live a life
Or you'll be living in shame
Dirty money
Ooh, is it such a crime?
Dirty money
The only living you'll make in your life time
Dirty money, ooh, dirty money
Is it such a crime?
Dirty money, to survive
Dirty money
Ooh, is it such a crime?
Dirty money
The only living you'll make in your life time
Dirty money, ooh, dirty money
Is it such a crime?

Dirty money, to survive
