Communion
Broken dreams a seething silence
No one hears
Silent screams
And poisoned lies no one shares
When life's a crime
Our time has come
For some do shun
Communion
Tears and laughter share your fears
To ease the pain
Conversation heals the wounds that we'll make
When life's a crime
Our time has come
For some do shun
Communion
In lost traditions a love worth giving
We'll find a place
Broken dreams a seething silence
No one hears
Silent screams
And poisoned lies no one shares
When life's a crime
Our time has come
For some do shun
Communion
We'll find a place for
We'll find a place
We'll find a place for
Communion
