"Fever"

The pain sets in
Love turns to hate
Fear lies and wait
Fever, fever
Your flesh begins to crawl
Night time takes it all
So you think you're moving on
Fever, fever
When you're choosing between the night
And the light of day
Your body's confused
There's nothing to lose
Fever, fever
Your flesh begins to crawl
Night time takes it all
So you think you're moving on
Fever, fever
Fever, fever
Your flesh begins to crawl
Night time takes it all
So you think you're moving on
Fever, fever
Pressure's gone and the pain sets in
Love turns to hate
Fear lies and wait
Fever, fever
Fever, fever
Your flesh begins to crawl
Night time takes it all
So you think you're moving on
Fever, fever
