It's twilight world

It's twilight world

Time out

World in a hurry

There's more love than money changing hands

Lights out

Thinking out loud

Turn your back on the world outside

Night thoughts

No one can share

As darkness breaks through another day

Secrets

Talking out loud

Silence waits just a dream away

Forget lonely crowds, unfriendly faces

They'll soon become familiar places

Before too long, before too long

Don't be fooled by love songs and lonely hearts

You're living in a twilight world

Don't be fooled by love songs and lonely hearts

Don't give in to the twilight world

Time out

World in a hurry

There's more love than money changing hands

Lights out

Thinking out loud

Turn your back on the world outside

Forget lonely crowds, unfriendly faces

They'll soon become familiar places

Before too long, before too long

Don't be fooled by love songs and lonely hearts  
You're living in a twilight world  
Don't be fooled by love songs and lonely hearts  
Don't give in to the twilight world

(Inst. Break)

Don't be fooled by love songs and lonely hearts  
You're living in a twilight world  
Don't be fooled by love songs and lonely hearts  
Don't give in to the twilight world
