America is

America is

America is

America is

America is the home of the hypocrite

America is the home of the hypocrite

America is the home of the hypocrite

American dream so f-f-full of it

Look at the indians

look at the blacks

look at the figures

look at the facts

check out the facts

the facts not the lies

when you find out

big surprise

America is the home of the hypocrite

America is the home of the hypocrite

America is the home of the hypocrite

American dream so f-f-full of it

check out the indians

check out the blacks

check out the figures

check out the facts

check out some facts

check out the facts not the lies

when you find out

it's a big surprise right between the eyes

America is the home of the hypocrite

America is the home of the hypocrite

America is the home of the hypocrite

American dream so f-f-full of it

american dream is only a dream

no desperation limit

new desperation level

even though my nose don't work

I smell trouble I smell trouble

no desperation limit

new desperation level

murder, mureder in the goverment

say you're sorry

say you're sorry

no desperation limit

new desperation level

turn the key

turn the lock

nationalism

you can suck my..

no desperation limit

new desperation level

watch the worl's progressin'

everywhere

aggression, aggression

aggression, aggression

aggression, aggression
