Do you like american music

I like american music

don't you like american music baby

I want you to hold me

I want your arms around me

I want you to hold me baby

did you do too many drugs

I did too many drugs

did you do too many drugs too baby

you were born too late

I was born too soon

but every time I look at that ugly moon

it reminds me of you

it reminds me of you ooh ooh ooh

I need a date to the prom

would you like to come along

but nobody would go to the prom with me baby

they didn't like american music

they never heard american music

they didn't know the music was in my soul baby

you were born too soon

I was born too late
but every time I look at that ugly lake
it reminds me of me
it reminds me of me
do you like american music
we like american music
I like american music baby
do you like american music
we like all kinds of music
but I like american music best
baby you were born too late
and i was born too late
but every time I look at that ugly lake
it reminds me of me
it reminds me of me
do you like american music
it reminds me of me
do you like american music
