In the Lord

Got my faith baby

In the Lord Lord Lord

And I know

He'll make everything alright

No matter where a child roam

That child's gonna have a home

If he's got his faith alright

I don't believe in no car

I don't believe in General Motors

I don't believe in the President

Or the League of Women Voters

I don't believe in these things

All these things might fail

I don't believe it's gonna snow

It might sleet rain or hail

But I believe in the Father

I believe in the Son

I believe there's a Spirit

For everyone

I believe in the Father

I believe in the Son

I believe there's a Spirit

For everyone

That's not all

That's not all

I'm gonna tell y'all

Let's do the faith call

I said F----F

I said A----A

I said I----I

I said T----T

I said H----H

What's that spell---Faith

What's that spell---Faith

Oh Faith
