Na na na na na

I know nobody ever taught you

How to dance like that

Nobody ever taught you

How to dance like that

Nobody ever taught me

How to dance like that

Heartache---too late

And I gotta get up

Heartache---too late

And I gotta get up

Heartache---too late

And I gotta get up

I know

I been workin' twenty-five hours a day

I don't want to live this way

Five and a half weeks with one day off

Stop the train I'm getting off
