Beauty sat bathing by a spring where fairest shades  
did hide her

the winds blew calm the birds did sing the cool streams  
ran beside her

my wanton thoughts enticed mine eye to see what was  
forbidden

but better memory said "fie" so vain desire was  
chidden

hey nonny nonny oh hey nonny nonny

hey nonny nonny oh hey nonny nonnie

into a slumber then I fell when fond imagination

seemed to see but could not tell her feature or her  
fashion

but e'vn as babes in dreams do smile and sometimes  
fall a weeping

so I awaked as wise this while as when I fell a-sleeping

hey nonny nonny oh hey nonny nonny

hey nonny nonny oh hey nonny nonnie

say man are you down for doing something positive in  
the community?

no i don't think I'll ever do that again

well ain't you worried about doing the right thing?

well I don't care if I hey nonny nonny nonny ho nonny  
nonny nonny
