"Lack Of Knowledge"

Visit "[Lack Of Knowledge](#)" on MotoLyrics.com

I'm not doing something I'm supposed to do

I'm doing something I'm not supposed to

I don't know about that

I don't know about that

I don't know nothing bout nothing like that

destroyed my people are

destroyed my people are

destroyed for lack of knowledge

I wonder if I'm happy

wonder if I'm mad

I wonder why the whole wide world is so wonderfully
sad

I don't know bout that but I can tell you this

that when I drink a lot of beer y'know I gotta piss... off

people should be pissed off

people should be pissed off

for lack of knowledge

read read read read read read everything you
can read and

learn learn learn learn learn learn everything you
can learn

cause there is no tomorrow like today

and there is no today like tomorrow

and they will stick you and they will stick you in the end
