"No killing"

I don't wanna see my brother die

We don't want no killing Lord

I don't wanna to see my sister cry

I don't wanna see

I don't wanna see I I I I

I know that bad things are going down

I, I know that loneliness is all around

I know that the world is starved for love

Love

Y'know that there's good

And there's evil

And there's evil

Disguised as good

They're knocking at my door

They're knocking at my door

Don't let them in

Don't let them in

I think it's the Milwaukee Police

I think it's the police

I think it's the polizei

I think it's the polizei I I I

Everyday everyday everyday everyday

I need your love love

And it's a bad bad score

And I need you all the more

I need your love

Love
